

NOTICE TO THE VALUED PATIENTS
OF ADVANCED DERMATOLOGY
AND COSMETIC SURGERY

Effective March 2018, Advanced Dermatology and Cosmetic Surgery (ADCS) will charge a fee to patients who fail to cancel appointments at least 24 hours prior to the scheduled appointment.

The fees are as follows:

- (1) \$50.00 for scheduled surgical appointments;
- (2) \$25.00 for scheduled office visits and other types of scheduled appointments including Aesthetics.

ADCS regrets this charge is necessary however, we are experiencing a huge demand for appointments. Our physician's time is very valuable to patients who must be seen.
